She welcomed everyone and asked that a motion be made to approve the minutes from the March 16th meeting with one the one correction. President-David Griffith

First Vice President-Sandi Baggett

Second Vice President-Jacqueline Zeranski

Secretary-Andrea Stokes

Treasurer-Open

At the May meeting the nominations will be opened for names from the floor before voting on the slate. The May meeting will be the last general meeting for the school year.

Mr. Carothers could not attend, so there was no Principals report.

COMMITTEE REPORTS:

STAFF APPRECIATION: The staff appreciation committee with Helen Trainor in the lead did a fabulous job once again. The committee is hoping to hold something at the school, like previous years, in June. We will have to see if the Covid standards change. Helen will be stepping down as committee chair and we are looking for someone to take that position.

POST PROM: Cheryl couldn't be present, so David Griffith gave an update. The Post Prom event is scheduled for May 15. All PHS Junior and Seniors are invited. There will be lots of activities as well as the Haunted Forrest. Because there is no

Prom and the Post Prom needs to be held off site, there will need to be some adjustments to the budget. Last year's fundraising funds will be put towards this year's event. In addition, there is an ongoing fund raising effort, as well as donations from the town and local business. The committee will only spend what it raises. David asked for a motion to increase the budget line item for post prom for this year. Sandi Baggett made a motion to increase the post prom budget to \$30,000. Laurie Kreitzer seconded the motion. It was unanimously approved.

NEW BUSINESS:

SENIOR HAPPENINGS: Graduation will be held at the school in the stadium at 9:00am on June 8th with June 9th being the rain date. There will be a Senior Unity Day sponsored by MCPS in May. Details to follow as they become available. The last school day for Seniors is 5/28.

NEW SCHOOL BUILDING: The board is still trying to work on getting a new gym. The Survey team was on site at the school this past week. We are hoping to have the school construction team come to the May meeting, which will be held virtually on May 18.

The meeting was adjourned at 7:40 pm.

Respectfully Submitted,

Sandra Baggett
